UPCOMING PARISH COUNCIL MEETINGS

Full Council – 9th November 2020 – Virtual Meeting

Planning Committee – 23rd November 2020 – Virtual Meeting

Monday 28th SEPTEMBER 2020 – 7pm virtual meeting
Minutes

1. Welcome and especially to Michelle as her first meeting although not as a voting member until the Council had approved the nominations
 - a. Apologies for absence - Cllr Nesbit Bell and Cllr Rolfe
 - b. Declaration of interest and approved dispensations - Cllr Dann expressed a personal interest in in item 5.
 - c. Approve minutes of the 27th JULY 2020 - anonymously agreed

2. Public Session - no public present

3. Changes to the planning framework – papers attached
It was agreed not to reply to the consultation but the Committee expressed concern that the area could be zoned as a growth area given the affordability issues (cost of housing versus local incomes) and also debated the implications relating to neighbourhood planning. It was agreed until the firm proposals were issued not to undertake further work but to remain vigilant to further changes.

4. Royal Southern Yacht Club License application - outcome and lessons.
The application had highlighted a number of changes to the historic notification protocol that resulted in the Council not being told about the application and then having limited time to respond. With the support of Cllr Airey as the Chair of the Licensing Committee the issue was raised and a loophole that had opened as a result of the new IT system was identified. It was agreed that a work around would be put in place to ensure that Parishes were notified in the future as intended. The process was tested with the River Rat application which was emailed to us in a timely way.
The hearing was lengthy, during which issues were raised that included a lack of consultation, issues related to the management of noise in the night time economy and transport late at night. As a result, the application was refused.
The hearing also confirmed that the land to the front is covered by a Section 38 Highways Agreement. The fact that the highways are responsible for it should provide comfort about future use. The issue of the footpath in the rear car park also came up and the Clerk was asked to reopen discussions with the RSYC

Licensing applications

5. 2020/02892/05EPRV
RIVER RAT WINE BAR & KITCHEN, HIGH STREET, HAMBLE-LE-RICE,
HAMPSHIRE, SO31 4HA
Variation Premises Licence
The Committee was not quorate on this item so was unable to resolve its position although those that did speak were supportive of it. Cllr Dann did not participate in the discussion.

Active Applications for consideration

6. H/20/88665 - YE OLDE COFFEE HOUSE, ROPE WALK, HAMBLE-LE-RICE,
SOUTHAMPTON, SO31 4HB
Proposal Second Floor Extension
The Committee resolved unanimously to oppose the application on the basis of overdevelopment of a historic building. The building mass is much larger than the footprint of the original building and a further extension will create harm to the historic design of the building.
7. F/20/88507 – BARNCROFT, CORNER OF FARM CLOSE AND MEADOW
LANE, HAMBLE-LE-RICE, SO31 4RZ
Change of use from storage building to 1no. one-bedroom dwelling with associated vehicle parking, bin and cycle storage, amenity area, landscaping and 1.7m high boundary wall.
The Committee discussed the history of the application and the iterations of it from bin store to residential use. Consideration was given to the value of the small affordable housing but on balance it was agreed that the council sustain its previous objection that the site was not capable of accommodating residential using a storage facility without comprising the neighbour amenity, prospect of a dangerous access and limited parking. The committee resolved to unanimously oppose the application.
8. L/20/88547 - CHURCH COTTAGE, HIGH STREET, HAMBLE-LE-RICE,
SOUTHAMPTON, SO31 4JF
Replace 2no. windows and 1 door to rear elevation of property
The committee resolved unanimously to support the application
9. T/20/88244 – CREEK COTTAGE, 58 SATCHELL LANE, HAMBLE-LE-RICE,
SOUTHAMPTON, SO31 4HL
1 no. Oak (T1) – Tip reduce by 1.5-2 metres to the north and wet side. Crown clean
1 no. Oak within G1 group – Fell and replace
The Committee resolved unanimously to oppose the application as it objected to the proposal to fell the tree. The committee was also aware that works had taken place on the site prior to the application being submitted and was concerned about unauthorised works.
