COUNCIL NEWS

The Parish Council is pleased to report that it has appointed Mrs Amanda Jobling as its new Clerk and Responsible Financial Officer. She officially takes up her post at the beginning of this month after a few weeks working alongside Brendan Gibbs prior to his departure.

The Council was fortunate to have a number of high quality applicants for the post and we wish her well in her new role that will be both challenging and exciting.

As mentioned in the last Council News the Secretary of State for Communities and Local Government has refused the appeal by Hallam Land Management for a development next to Hamble Station. Hallam had the right to challenge the Secretary of State's decision in the High Court within six weeks and this is what has happened. The appeal in the High Court will focus points of law rather than the planning decision itself.

As normal at this time of year the Council has been preparing its budget for the next financial year, including reviewing the costs and prices it charges for the services it provides. The Parish Council has again decided not to increase its precept for 2017/18.

The Parish Council has agreed to make a £40,000 contribution towards the Borough Council's refurbishment of the Coronation Parade area and we look forward to this project being completed before early summer.

At a meeting before Christmas Sgt O'Hanlon and EBC Local Area Manager Matt Blythe attended and spoke about HYPE and their concerns about the continued provision of local youth services. Hamble School has withdrawn its support for HYPE and consequently they will be unable to use their premises from the end of March. Local Parish Councils have been approached about using some of their venues and have been asked to continue giving funding.

The Parish Council has therefore agreed to give £10,000 for another year to support HYPE in 2016/17 and to offer the use of the Roy Underdown Pavilion with its associated sporting facilities.

Plans are now being drawn up for HYPE to rotate around the local parishes to provide the youth services. As part of these new arrangements the Parish Council is seeking conditions to protect local residents from any disturbance relating to HYPE's use of its facilities.

Sgt O'Hanlon also informed the Council that Penny Young has been appointed as Hamble's local Police Constable to replace Mark Arnold.

Hamble Lifeboat attended the first Council meeting of the year to report that work on the public facilities at the new Lifeboat Station had started to bring them up to the required standard. Hopefully when you read this the public toilets will be open for use.

Despite there being no cricket teams wishing to use the Council's facilities at the College Playing Fields in 2017 it has been decided that the Council would preserve and maintain the square of the pitch this year and look at making a final decision about the provision of cricket facilities this time next year.

Due to increasing unauthorised use of the foreshore eurobins by local people these bins have been removed and alternative arrangements for the management of trade waste collected by the Parish Council have been put in place.

Finally, the Parish Council would like to record its grateful thanks to Jackie Bevis as she has now decided to conclude her role as the editor of the Hamble Village Magazine. We are very grateful for all the work she has done over the last five years to significantly raise the profile of the magazine.

We also pass on our very best wishes to Brendan Gibbs as he ends his time here as Clerk to the Parish Council. We wish him and his family all the best for the future.

WELCOME AMANDA

I am excited to be joining the Hamble community and to take over from Brendan Gibbs as your new Clerk. I have spent much of my life in and around south Hampshire and currently live over the water in Titchfield with my husband and two sons.

My background is in local government where I have had the pleasure of managing a wide range of services and projects. My last role was as Executive Director at Chichester District Council where I spent 11 happy years. Since leaving I have been a management consultant as well as project managing an extensive renovation of our family home.

Working in Hamble is a great new opportunity for me and I hope I will get to meet many of you over the coming months.

Amanda Jobling, Clerk to the Parish Council

HAMBLE-LE-RICE FLOWER CLUB

28th Anniversary Year 2016/17

The Hamble Le Rice Flower Club consists of a friendly group, mainly but not exclusively of ladies who meet on the second Monday of each month at 2pm in the Hamble Le Rice Memorial Hall.

We have practice sessions, demonstrations by well-known demonstrators, visits and workshop days and other areas of interest.

We welcome both prospective members and visitors to our meetings to share our love of flowers.

On a very wet January Monday afternoon we met for what turned out to be a thoroughly enjoyable afternoon!

40 members and friends enjoyed a demonstration by Christine Wright entitled "Tea at the Ritz" while tucking into a tea of sandwiches, cakes and savouries. We really thought we were at the Ritz, as everyone was dressed for it with a lovely array of hats being worn! Thanks to Christine for some stunning Ritz type floral displays which were raffled afterwards. We look forward to next January to repeat the treat.

Monday February 13th is a practical with **Pat Maple, entitled "In a Winter Garden"** so I'm sure everyone will have lots of ideas! These practices are always fun, together with learning, with guidance from Pat.

Early warning: **Monday March 13th is our AGM** which starts our 29th Year. Lunch at 12 noon followed by AGM at 2pm. Cost is £10 for lunch to be pre-booked,

Visitors welcome at all Club events, just turn up or if you require more details:

Hamble Local History Society

Thursday 9th February, 7.30pm

The Borrett family and Blue Star Boats in the 1960s

If you have been to the cafe on Hamble Foreshore or taken a river trip from it, the Society's next meeting could be of interest to you. The Society's Chairman, Ian Underdown, will be giving an illustrated talk about a business that has been on Hamble Foreshore since the 1930s, now known as the Beach Hut Cafe, but formerly Blue Star Boats and Cafe.

Its first owner Alf Dornom, a Cruising Association Boatman, caused a Public Meeting being called as parishioners feared the loss of their foreshore rights and its character. This resulted in the Parish Council leasing and then purchasing the Foreshore.

You will be able to hear and see how its subsequent owners developed the business, from hiring out boats, moorings and the introduction of river trips to a refreshment kiosk and recently a cafe. Some older residents will be able to remember owners such as Ernie Stagg, the Borrett family and Cliff Hall.

Due to the Foreshore being a public open space the Parish Council would not allow one of its earlier owners to erect a shed to store equipment and shelter in inclement weather, but just permitted a canvas shelter. Over the years the Council subsequently agreed to temporary buildings and eventually a permanent kiosk and cafe.

Why not come along to hear the very interesting story of this Hamble Foreshore business? New members and visitors are always welcomed! Our meeting fee is just £2. If you would like more information please contact our secretary, Brian Knapp, telephone 8045 3534.

'From the Council Records' this month refers to Hamble Halt Station and the Thatched Cottages in Satchell Lane. Below is an article about the garage adjacent to station and a picture of the Thatched Cottages.

GARAGE BY HAMBLE HALT

Local residents of Hamble may wonder the origins of the hangar now used by Hamble Garage next to Hamble Halt Railway Station and across the road from the former airfield.

It was built during the spring of 1942 to house six single deck Hants & Dorset buses which were used to convey workmen (and women) from the newly built (January 1942) Hamble Halt to Folland Aircraft Ltd via Kings Avenue or Cliffe Avenue and to Air Service Training (AST) via Sydney Avenue and Beaulieu Road to a point approximately where the entrance to the BP Terminal is now.

Trains from Southampton were met at 7.10 am, 7.30 am, 8.05 am and 8.25 am whilst those from Portsmouth were met at 6.50 am, 7.13 am, 7.40 am and 8.20 am. The six buses ran back and forth until all had been safely delivered to their workplace.

The finishing times at the works varied from day to day although generally speaking, 12.30 pm was the norm for Saturday and 4 pm on Sundays. There were several trains in each direction to suit, one at 6 pm being a through train to Poole as several people from that area worked at Air Service Training.

The buses were various types of 1930s Leylands which had their seats placed longitudinally, decreasing the seating area but increasing the standing room - some were painted in wartime grey, but others retained their pre-war livery.

The service was reduced over the post war years as was the labour force, but was still running during the hard winter of 1947-48, but the Sunday service ceased in 1945.

After the finish of the shuttle service, the garage was used by several local firms and was, for some years, a store for Folland Aircraft and Petters factories.

STAND FOR ELECTION AS A GOVERNOR FOR SOUTHERN HEALTH AND HELP SHAPE LOCAL HEALTHCARE

DO YOU WANT TO HAVE MORE OF A SAY IN HELPING TO SHAPE LOCAL HEALTHCARE?

If so a role as a Public Governor at Southern Health NHS Foundation Trust could be the right challenge for you.

The Trust, which provides mental health, learning disabilities, social care and community services, has two vacancies for Public Governors in the South West Hampshire constituency, which covers the New Forest, Test Valley, Winchester and Eastleigh.

Services in this area include integrated community teams as well as community hospitals such as Lymington New Forest Hospital, Romsey Hospital and Fordingbridge Hospital, specialised services at Tatchbury Mount and Leigh House in Eastleigh, and mental health units at Melbury Lodge in Winchester.

Governors are members of the Council of Governors and provide a vital link between the public and the Trust board that connects the Trust with the ideas, feedback and concerns of local people. Their role is to raise concerns and ask questions on behalf of people living in the constituencies they represent, to support service users, and to shape how the Trust develops.

David Lee, Governor for North Hampshire, describes what motivates him to carry out this role: "With my background as a doctor and a patient, I want the NHS to achieve the best. I am also Chairman of a GP Patient Participation Group and want to encourage and assist with more patient participation work in the Trust."

Nominations for the Governor elections are open until 5pm on Tuesday, 7 February 2017. After nominations there may be a vote in March, after which the successful candidates will be announced.

Anyone wishing to stand for election or nominate a prospective Governor must be a Member of Southern Health NHS Foundation Trust.

HAMBLE LADIES GROUP

I know it is February and Christmas has been and gone but hopefully everyone had a happy one and also a happy New Year.

Hamble Ladies Group Christmas started with our Christmas Dinner held at 'the beach hut cafe' again - we decided to return after having such a lovely time last year and we weren't disappointed. In fact Phil and his great team could not do enough to ensure we had a successful meal.

The food was scrumptious, the service second to none and the decorations were wonderful and we all left feeling that Christmas had begun. A big thank you to Phil and his hard workers. I am not sure if he took it on board that evening but we actually asked to come back this year - hope he will have us!

Our AGM was held on Tuesday 10th January and it was nice to see quite a few of our members turn up on a cold wintry January evening. One of the issues brought up was the changing of the start time for our meetings. It has been decided that we will now START AT 7.30PM.

Members please note this new time.

Another thing mentioned at the AGM was the fact that Hamble Ladies Group has been going 24 years this year so next year is the 25th Anniversary - something for us to celebrate - any excuse for a party!

Our next meeting is on Tuesday 14th February when we have Caroline Haynes joining us to talk about Bursledon Brickworks and the rest of the programme up until June is as follows:

14th March	Zoe Parkin - South Africa
11th April	Paul Ackland - Hamble Lifeboat
9th May	Rosemary Hooker - Dolphins in Australia
13th June	Social evening

All meetings are held in the Priory Centre here in Hamble and start (new time) at 7.30PM.

If you have not been to one of our meetings before why not come along and join us, you will be more than welcome.

HAMBLE CONSERVATION VOLUNTEERS

We are fortunate that a large variety of song birds nest on the Common. We believe that this is in part owing to the provision of bird boxes that protect our birds during the nesting season from predators such as grey squirrels, magpies and foxes. We have sited 30 boxes throughout the Common and our annual inspection and clean of the boxes last year indicated that over 2/3rds of them were used for nesting.

February's task is to carry out the annual maintenance and clean of the boxes so that they are ready for the nesting season. We understand that positioning of the boxes and entrance size is important and we would welcome help from those with the expertise to advise on bird box siting and who could establish the breed of bird making use of the existing boxes.

The high turnout of volunteers for our beach cleans continues and you may be interested in a report produced by Exeter University confirming that the vast majority of beach rubbish originates from land users of beaches rather than tidal action. The full report is at <http://www.sciencedirect.com/science/article/pii/S0048969716325918>

Monday beach cleans are on 6th and 20th February.

DOG FOULING AND DOG CONTROL

The Parish Council office continues to receive an enormous amount of complaints from parishioners on the subject of Dog Fouling and Dog Control.

Dog mess is an eyesore and a health hazard.

If you are a dog owner, you have a legal duty to clean up every time your dog messes in a public place. The law requires people to clear up after their dogs. This applies to all land within Eastleigh Borough, which is open to air and to which the public are entitled or permitted to have access.

Look out for bins marked as 'dog bins' to dispose of your dog bag.

If you cannot find a dog bin, then double wrap the dog bag and place it in a normal litter bin.

Under the Dogs (Fouling of Land) Act 1996 persons who fail to clear up after their dog face either a Fixed Penalty ticket or prosecution through the courts. The penalty for not clearing up dog fouling can be up to £1,000.

Dogs should be kept on leads in all public and built up areas. Dog owners can face a fine or imprisonment for an out of control dog.

If you see someone not clearing up after their dog or their dog is not on a lead and out of control and know where the offender lives or you can find this out, contact the Animal Welfare Officers on **023 8068 8315/8337**.

They will advise the offender of the legislation.

Your details are kept confidential.

FAREWELL BRENDAN

As everyone knows I will be departing Hamble for pastures new nearer home at the end of the month.

Hamble Lane did for me in the end I suppose. I dread to think how many hours I have spent slowly crawling up and down the B3397 in order to get here to work or to go home.

Firstly, I must say thank you to all the members of the Parish Council both past and present for all their support and encouragement whilst I served as their humble and obedient servant.

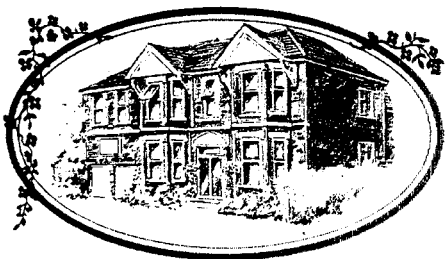

I would then like to say a very big thank you to everyone in the Village for making me so welcome throughout my time here. I would particularly like to thank the following people who in one way or another kept an eye on me over the last six years through personal visits, correspondence and the occasional longer chat.

Trevor GP, Glenn & Maureen M, Caroline S, Rebecca WV, Michael D, Colin O, Melvyn P, Ernie A, Father Graham, Ray & Heather B, Valerie A, Lyn W, Jo W, Roy B, Colin & Joan G, Bobby C, Fred D, Heather B, Jimmy D, Janice & Mike P, Nick and Chris W, Roger & Valerie P, Christine S, Nick B, Chris P, Paul & Kathy B, Bernard L, Helen G, Ian H, David & Donna S, David W, Kate & David D, David R, Peter & Valerie C, Ben & Lorna C, Paddy Mc, Brian S, Brian & Jane W, Michael P, Gemma P, Mike D, Trevor & Philippa P, Ken M, Barry JL, David LM, Chris M, Mark I, Richard CW, Peter & Lesley-Jane N, Paul V, Alastair & Peter G, Steve & Sue E, Janet M, Roger & Alex H, Ruth A, Charles & Jenny S, Steph M, Mike & Andy L, Georgie V, Emma W, Mark D, Susie T, Suzy & Chris H, Stephanie B, Winnie S, Ray S, Mick & Penny C, Colin W, Tim R, Rosemary D, June B, John & Cilla M, Paul T, Kathleen & Derek H, Simon & Georgie H, Nick & Rosie O'D, Ross E, Alan M, Nigel B, Stewart & Chia B, Andy C, Annette & John D, Annette B, Greg D, Jason S, Keith H and last but not least Ian U, Diane C & Bill & Jean P.

GUIDE DOGS IS APPEALING FOR DOG LOVING VOLUNTEERS

Guide Dogs have a training centre in Southampton and are currently recruiting for volunteers to help with the training process.

There are three key stages to a dogs training to become a guide dog. In their first year they undertake puppy training with a dedicated Puppy Walking volunteer. Once they have completed the puppy stage, they then work with a staff member from the centre and complete early training and then advanced training.

We are recruiting for Boarders who either live near our offices in Chilworth, or who pass by it everyday. Boarders look after dogs in either early or advanced training for a period of 10 to 26 weeks. The dog will be with you in your own home during the evening and at weekends. During the day they need to be at the office, so dropped off and picked up Monday – Friday. If you work and can't have a dog of your own, then this is a perfect solution.

We are also looking for volunteer Puppy Walkers. These are volunteers who provide the full-time care and education in their own home for a puppy. The puppy will be with you from seven weeks of age until they are between 12 and 14 months old. They then move on to begin the next two stages of their training.

There are also others way to become involved with your local Guide Dogs centre. We have dedicated groups of volunteers who run events in their local communities and help promote the services Guide Dogs have to offer. We also have volunteer drivers, volunteers who look after collection boxes and a scheme called My Guide where we match a volunteer with someone living with sight loss and together they work towards aims to build the person's confidence and mobility.

If you would like to find out further information, please do not hesitate to contact us on 0118 983 8892 or email Southampton@guidedogs.org.uk.
