COUNCIL NEWS

The Parish Council considered the outline planning application for 70 dwellings opposite the Riverside Park in Satchell Lane. As mentioned in the last Council News, a Task and Finish group was set up to look at this application and it produced a comprehensive report. After considering this and parishioners' views the Parish Council resolved to oppose this application, particularly as this site is identified as countryside and not for development in Local Plans and policies.

Keith House, leader of the Borough Council and our County Councillor attend this meeting and he spoke about this proposed development. He stated that the Borough Council now has a 5 year housing land supply in accordance with the National Planning Policy Framework and he believed the Borough Council would now be in a good position to defend this and other developments if they went to appeal.

He also stated that he had been approached by parishioners who were concerned that the entrance to the Jurd Way development was being constructed

as a permanent access. Parishioners thought this was only to be temporary until the adjacent development was built with access off Bursledon Road. He explained that planning conditions and the County Highways required it to be built to this standard and eventually it will be closed when the two developments are complete.

In the recent general election Mims Davies, Hamble's MP was re-elected for the Eastleigh Constituency.

You should by now have received a card regarding the WeRHamble community consultation to help shape the future of our village. Residents, local businesses and visitors will have a chance to shape the future of our Parish and express views on a range of issues from housing and infrastructure through to tourism and environment. The questionnaires are now available via the Parish Council website, its Facebook page and hard copies will be available from the Parish Office and selected businesses in the area for those who do not have or wish to use computers. The consultation will close on the 21st July 2017.

02380 453422 | clerk@hamblepc.org.uk

Hamble Lifeboat and the Parish Council are pleased to announce that the Public Toilets associated with the new Lifeboat Station opened at the beginning of the Whitsun Bank Holiday. We hope the showers will be opened shortly.

The Parish Council has now agreed a new hiring agreement for users of the Roy Underdown Pavilion (see page 20 for more details) to take into account the increasing number of private hirers for parties etc. The Council has also formally taken over the new storage building adjacent to the Pavilion. As mentioned last year the Council has agreed in principle the installation of a phone mast at its Community Facilities off Hamble Lane and now there is the possibility of more than one provider may wish to use it, hence further improving the mobile phone coverage for our area.

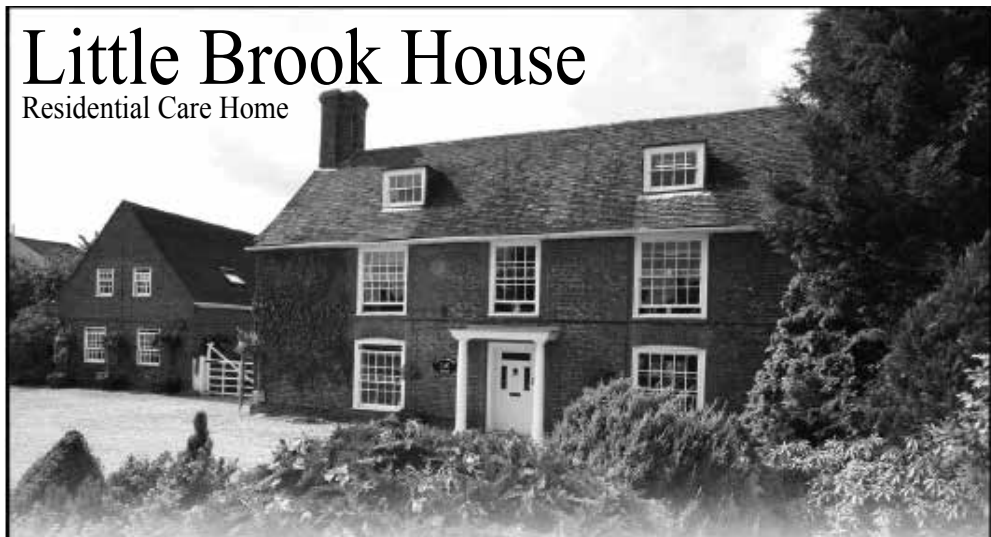

Representatives of GE Aviation attended, a

Council meeting to outline plans for its site including the relocation of its sports facilities. Due to the age of its manufacturing facilities, it needs to rationalise the current campus to make the company more productive and competitive to safeguard employment for the future. GE Aviation also wants to reduce traffic impact on local residents along Cliff Avenue and Kings Avenue as well as securing a future for Sydney House, which is a listed building, needs significant repairs.

To fund this and secure the future of manufacturing at Hamble, it needs to sell some land for development including the area currently used as sports fields. It wants to secure a sustainable future for the sports clubs that presently use its site and is investigating suitable alternative facilities. At the end of July GE Aviation will be undertaking a public consultation when it will outline its plans.

Message from the Clerk

WeR Hamble is now well underway and I hope generating interest and discussion. If you haven't completed our on line survey yet time is running out. The deadline is Friday 21st July 2017. The survey should only take ten minutes to complete and will give you a voice in the future of the village.

Paper copies of the survey are available from the Parish Office and other locations across the village but I would encourage you to use the on line version. It is quicker, cheaper and saves paper! Take a look at our website or Facebook page for details.

You may also see people out and about either promoting the survey or carrying out a shortened version which will be used for visitors. This will be asking a few key questions about why people visit Hamble, what they do while they are here and where they have travelled from. We hope with this we can understand the importance of visitors to the life and economy of the village.

We expect to have the initial results available by the end of August and will then start focus groups around key topics. We want to share with businesses the views of residents and visitors to the area and will be setting up meetings around this time to start this conversation. We also hope to better understand the needs of the business community as we plan for the future.

Our aim is to have a body of evidence available to use as part of our response to Eastleigh Borough Councils (EBC) Local Plan consultation which is scheduled for October/ November time as well as using it to start developing a Parish or a

Neighbourhood Plan. A Neighbourhood Plan is a very specific type of plan that deals with land use issues. It works alongside the Local Plan and enables communities to influence how planning policies are delivered at a local level. It is not designed to frustrate or resist development but rather give people an opportunity to decide on where development is best placed, what development should look like and the sort of facilities that are needed when communities are set to grow.

The recent planning application for Satchell Lane highlighted concerns about development in Hamble ranging from the difficulties experienced with traffic congestion to protecting wildlife habitats. The Parish Council's response I hope reflected many of these concerns and can be found on Eastleigh's website. These comments will be considered when the planning application is considered by the Local Area Committee on Thursday 21st September at Hamble Primary School, Hamble Lane, Hamble le Rice.

The Parish Council is automatically consulted on all planning applications within the parish area. As part of that consultation process it is invited to highlight local issues and assess the merits of the application against local and national planning policies. It is expected to do this in an open, fair and transparent way and to consider all factors before deciding on whether to support or oppose an application. Often the developer will attend a meeting of the Parish Council to explain their proposals and answer questions. Members of the public are welcome to attend these meetings and they are advertised on the agenda which is published the week before the meeting. Copies of the agenda are posted on the notice boards at the Memorial Hall, Coronation Parade and the Square, as well as on our website.

All of our meetings have a public session at the start of them and people are welcome to come along and raise issues with us. As well as the normal type of business that the council has to do we are also starting to look at some bigger topics such as how we can be more environmentally aware and we would welcome suggestions and ideas from the public. So keep an eye on our agendas and come along and get involved.

With an eye on environmental issues a quick reminder about the importance of continuing to recycle as much domestic waste as possible. What doesn't get recycled has to be processed either through incineration or land fill, both of which have a cost. Making sure the right things get recycled is really important. Paper, cardboard, metal cans and bottled shaped plastic containers are all recyclable and should go in the recycling bin. Other plastics cannot be recycled and should go in the normal waste bin. Better still try to avoid packaged goods by supporting retailers and markets that use minimal packaging.

A great opportunity to do this is the French Market that will be coming to Hamble on the 22nd July. This year's Hampshire Farmers Market saw a fantastic array of vendors and performers as well as visitors. The weather was exceptional and it was a great day. I am sure that the French Market will prove another great day out on the foreshore.

Lastly I would like to draw your attention to a change to our opening hours during the summer. Traditionally the Parish Office has shut down for a week in August to enable archiving to take place. This year we are going to experiment. From 31st July through to the 1st September the office will be open from 10.00 – 17.00 on Monday and Friday. During the rest of the week you will be able to leave phone messages or if you need to see someone urgently you can make an appointment. I am hoping that opening in the afternoon will make our services easier to access for people that are working whilst still giving us some time to collate the WeRHamble responses and get on with the annual archive. If opening in the afternoon seems to be popular we may review our hours of opening more generally.

I hope everyone in the village has a great summer and I look forward to updating you on progress in our September edition.

HAMBLE LADIES GROUP

This month - July - we are venturing out of Hamble and going on a coach trip to Jane Austen's House and then on to the Lavender Fields at Hartley Park Farm, Alton on Friday 21st July 2017. This is in place of our normal meeting on the 2nd Tuesday of the month.

Our programme for the rest of the year is as follows:

21st July	Trip to Jane Austen's House and Lavender Fields
8th August	Ellen MacArthur Cancer Trust
12th September	Tina Cheswell - '100 in Hamble' - Photography
10th October	Tracy Edwards - Maiden Education Charity
14th November	Hamble River Singers and Ukelele Players
12th December	Christmas Meal - The Beach Hut

Looks good and very interesting. Why not come along and join us - our meetings are held in the Priory Centre, Hamble and start at 7.30pm. Everyone welcome.

Bobby Conduit

HAMBLE LOCAL HISTORY SOCIETY

For its last meeting the Society visited the BP Oil Terminal for a very interesting illustrated talk by Justyn Willmore, who is responsible for the Terminal's Community Affairs. Members had to undertake the important security check at the terminal's gate and on the way to the meeting room Justyn pointed out different aspects of its facilities.

Justyn started his talk by emphasizing the highest priority for the company was safety and security. He then went on to explain what was oil and how it is produced. Following this he gave the history of the oil industry around the world and the BP company's history.

BP's association with Hamble started on the 6th June 1922, when one of its ships the 'British Maple' was moored off Hamble to store oil products which were transported by lighters to Southampton Docks for distribution mostly by road tankers.

Painting by Gregory Robinson of the construction of the jetty with the hump in it. BP's storage ship 'British Maple' in the background.

The origins of the terminal's site was an uncompleted First World War seaplane acceptance depot that was purchased in 1919 by the Anglo Mexican Petroleum Co which later became Shell Mex. Work started to construct the oil terminal in the early 1920s using 900 local men and it opened in 1924. Justyn illustrated the construction work using pictures of paintings by Hamble artist Gregory Robinson. This included a jetty that had to be built with a hump in it, so as to preserve parishioners' rights over tithe 150, which required that a laden horse and cart could pass under it. You can still see this today.

Hamble was an ideal location for an oil terminal as it had the great advantage of being able to transport fuel by sea, road and rail, as the seaplane depot already had a railway line to it. In 1932 Shell Mex and BP combined to form the largest marketing company in Britain and shared Hamble's oil facilities, therefore the 'British Maple' was no longer required and left. Justyn used plans to show how the site developed and became bigger over the years.

For the Second World War the government built a pipeline linking the terminal to the UK pipeline network. At this time four underground storage tanks were built on the site and six off Satchell Lane near Badnam Creek which were connected to the government's pipeline. During the Second World War the terminal supplied fuel for the D-Day landings and the 'Pluto' pipeline, which was laid under the English Channel, passed through the Hamble terminal.

In 1976 BP and Shell Mex separated and BP retained the Hamble Oil Terminal. An oilfield was developed at Wytch Farm in Dorset and it was acquired by BP in 1984. Hamble was chosen to store and distribute the crude oil. An investigation and consultation were undertaken how to get the oil to Hamble and it was decided to construct an underground pipeline and the first crude oil arrived at Hamble in 1990. As a result of this, it was decided to discontinue the rail link to Hamble in 1985, although the track was retained in case it would be needed in the future.

Over the years the number of people the company employed at Hamble has altered with much of the work now undertaken by sub-contractors. As a development of this, BP is now selling the Hamble Terminal but it is expected to continue to use it in the future.

A very comprehensive talk with new research which will add to the oil terminal's history.

Blackthorn Health Centre

Wasted appointments

During the month of May 2017 a total of 188 appointments were not attended which had not been cancelled by patients.

We are trying to cut down on this by encouraging patients to cancel when they cannot attend, which will free up appointments for other patients.

We are installing a new text messaging service called MJOG for or patients on 16th June 2017.

On or shortly after this date, Patients with a mobile number recorded will receive a text message giving them the opportunity to opt in or out of this system as they wish. This new system will give you the opportunity to cancel appointments by text.

You can also cancel on line (if you are Registered for Patient Access), or by calling the Health Centre and Choosing Option 4 (you don't need to wait for a Receptionist – simply leave a message).

NUMBER FOR YOU – HELP US TO HELP YOU****

Hamble-Le-Rice Flower Club

29th Anniversary Year 2017/18

The Flower club is a friendly, mainly but not exclusively group of ladies who meet on the second Monday of each month at 2pm in the Hamble Memorial Hall.

We host demonstrations, organise visits and have practice and workshop days.

We welcome both visitors and prospective members to our meetings to share our enthusiasm for flowers.

We were very proud of Christine Wright and Angela Fox who represented our Flower Club at Chelsea Flower Show this May. They achieved a Bronze Medal for their sterling work. For those not, in the know, this requires working through the night to arrange your creation and to be finished by 6am for judging! Well done to them both for their stunning arrangement of 'A Secret Garden.'

Our Annual outing this June was a leisurely morning spent enjoying the delights of Romsey and an afternoon in the garden of Andy McIndoe, ex Hilliers. Hopefully one and all enjoyed their relaxing day!

On July 10th Carole Norman will be giving a talk: 'You are invited.' Carole is a regular demonstrator in Hamble with always a witty story to tell so this should be an entertaining afternoon.

Our meeting in August is a practical session. This will be an 'Imposed' session. The container and flowers will be provided so you just need to turn up with your scissors and perhaps some foliage! It would be useful to know in advance if you plan to attend this session so that we have enough flowers for everyone. Please contact any committee member if you need more information.

Visitors always welcome at Club events, just turn up or if you need more details: Rosemary Dorman, Secretary 02380 452385/Sheila Barker, Vice Chairman 02380 453718

HAMBLE CONSERVATION VOLUNTEERS

An encouraging turnout of volunteers last month gave us the opportunity to repair one of the most well used paths across the Common. The path leading by the creek to the wooden footbridge is low lying and it suffers during high spring tides. Eastleigh Council provided 8 tons of gravel at the School Lane car park and volunteers with wheel-barrows moved it to the path where it was leveled by a council machine. The path will still flood at high tide but it is now in much better condition and gives access to one of the most attractive parts of the Common.

The task in July is a comprehensive clean of the Common culminating in a beach bbq at Hamble Point Car Park. This is an opportunity for all volunteers to meet up and celebrate the past year's achievements and look forward to future tasks. Everyone is welcome especially those who would like to become involved for the first time.

Frequent visitors to the Common will have noticed the increase in bird life activity on the Common at this time of the year. There is a clear sense of urgency as the late arrivals have to attract a mate quickly and begin nest building to ensure that they complete their breeding cycle before moving on. The sound of Chiffchaffs, the clue is in the name as far as their song goes, Blackcaps, Whitethroats and occasional Willow warbler

can also be heard across the Common. Reed warblers can be heard in the reed bed at the head of the creek and the loud and explosive sound of the Cetti's warbler is often heard in the trees surrounding the adjacent car park.

A pair of Mute swans regularly takes up residence close to the marina car park and they seem comfortable with the comings and goings of yacht crews. They build a substantial and conspicuous nest in the form of a large heap of reeds and rushes. The parents, known as the cob and pen, have once again successfully hatched a number of cygnets this year and parents and offspring have been seen on the river near the public pontoon.

Beach cleans are at 10am on 3rd July and 7th and 21st August starting at Hamble Point Car Park. With so many on holiday there is no major task in August.

The next conservation task is:

BEACH CLEAN BBQ - THURSDAY 20th JULY 2017

Meet 10am Hamble Point Car Park
Please wear clothing suitable for the weather on the day. We provide all equipment but welcome contributions to the tea fund.

REPORT ON THE 2017 HAMBLE RIVER RAID

Saturday May 13th 2017

Well what a day that was... A light drizzle in the morning to cool the air and dampen down the dust as the Hamble Sea Scouts moved in with well practised expertise to erect the marquees and gather together boats being used by locals, young and old before the sun came out and blessed the day.

With the blessing of the Hamble River Harbour Master and Hamble Parish Council, the event sign posting was in place and the Donkey Derby field made available for parking and additional porta-loos supplied on the quay.

MDL Hamble Point Marina kindly made their slipway available to the larger gigs and exotic Polynesian outrigger canoes that had travelled from Bristol, London and East Anglia to compete in the Hamble Sea Scouts 'Hamble River Raid'.

With generous sponsorship from Richard Faulkner Composites, Bovis Homes and Hall and Woodhouse Brewery the event proceeded with less strain upon the organising committee.

Behind the scenes, the army of Scout Mums and Dad's pull's the event together and makes this a great local spectacle that raises funds for Hamble Sea Scouts with 2017 proving to be one of the best.

The Daily Echo trumpeted the success as we saw 100 boats from Cornish Pilot Gigs, Harkers Yard Gigs, Solent Galleys, Bursledon Gigs, Skiffs, Dinghies, SUP's, Canoes, Outriggers and many more.

With approximately 400 competitors all being cheered on by enthusiastic spectators, Hamble Quay was a lively, colourful, good natured mass of humanity that spilled out and brought cheer and custom to local businesses.

There were great examples of sportsmanship from 'rufty tufty' athletes to youngsters cheered on by their chums and families, Sea Cadets and Scouts from far afield joined the event and proved that determination comes in all sizes and ways – real character building stuff and a great experience for them.

The River Raid committee extend their thanks to all those mentioned above and many more not, but all there to make the day happen, without you it could not be done and Hamble Sea Scouts enjoy doing something splendid to help their group and put something back in to the village. A great effort by all.

Next years event as set by 'moon & tide' is 19th May 2018

THE GREAT HAMBLE JOKE - OFF CHARITY COMEDY NIGHT

On Friday 31st March something very funny happened in the Roy Underdown Pavilion...

... the first ever Great Hamble Joke-Off was held in aid of Wessex Cancer Trust and a lot of laughter could be heard from the little comedians of the village!

Thomas and Elisabeth Roy wanted to help raise some more money to go towards their Mum's London Marathon fundraising target of £20,020.17 (see her Just Giving page www.justgiving.com/fundraising/Fi-does-London17 - it's not too late to donate!) and came up with the funny idea of holding a children's comedy night. So, they bought popcorn, they baked cakes, they chose clips from their favourite comedy shows (Pink Panther, Mr Bean, Wallace and Gromit... and Mum & Dad chose some Monty Python and The Two Ronnies!) and sold 45 tickets to children in the village. The audience then took to the stage to tell their favourite jokes which were judged by a panel of "experts" including some of their very brave teachers from Hamble Primary School! Some of the best jokes included...

Which underwater creature is good at adding up? An octopus!

What's French, wobbly and covered in custard? The Trifle Tower!

What's a pirate's favourite cheese? Cheddarrrrrrrr!

Prizes were awarded for the best jokes and all the children really did themselves proud. The parents' jokes, however, needed a little more practice...!

The evening was a great success and raised over £700 for Wessex Cancer Trust. Thomas and Elisabeth were rightly very proud. The Roy family would like to thank everyone who helped organise the evening, who donated prizes and cakes, who came along and added to the laughter with their jokes. A HUGE thank you too to the Parish Council for the use of the Roy Underdown Pavilion - it was the perfect venue for the evening and many happy memories were made!

With thanks Fiona Roy

telephone on 023 80453422 or
asstclerk@hamblepc.org.uk

Eastleigh Borough Council's SportWorks Team are delighted to once again bring you the hugely popular Park Sport programme. Park Sport 2017 will provide a range of sports and activities for local 8-16 year olds to try this summer, at over 25 local parks and community facilities across the borough.

Thanks to the ongoing support of VIVID, Eastleigh Borough Council Local Area Committees and Parish and Town Councils

the scheme is heavily subsidised and costs just £1 (booking fee) per person per session. Sessions taking place in the Hamble, Netley and Bursledon area will include sailing, football, dance, cycling, cricket and basketball. There will also be a free Skate Jam event at Pilands Wood Skate Park on Wednesday 9th August and free swimming for u16s at Hamble Sports Complex.

Park Sport 2017 will run for 5 weeks from Monday 31st July to Friday 1st September 2017 and booking will go live on 27th June.

Alongside Park Sport, **Summer of Sport** will also return offering adults the chance to part in a range of sports and activities, including an adult led cycle ride from Netley to Hamble. Bookings will go live 4th July. For more information, please visit: www.eastleigh.gov.uk/parksport
Or email: sportworks@eastleigh.gov.uk

Your Local Volunteer Police Cadet Unit is in need of leaders - Can you help? I am the proud unit leader of Hedge End Police Cadets, who are a fantastic group of local children, who are super keen. The scheme is run by a team of fantastic volunteers from the force and the local community. We are always looking for new adult volunteers to help as leaders within the scheme. Leaders do not have to have previous police experience, only an interest in helping young people achieve their best and reach their full potential. We meet at Wildern School, Wildern Lane, Hedge End, Southampton. SO30 4EJ, Monday term time between 6 - 8pm. And also assist at a variety of community events throughout the year.

If you can spare a couple of hours a week and are interested in becoming involved as a Volunteer Adult Leader, you can find out more information by contacting us. For more information email - volunteer.police.cadets@hampshire.pnn.police.uk

FROM THE COUNCIL'S RECORDS

100 YEARS AGO – Rat & Sparrow Club

Mr Bartlett reported that Cartridges could not be ordered for the Rat & Sparrow Club, without a signed Order from the County Authorities.

JULY 1917

With food scarce Rat & Sparrow Clubs were set up to protect the crops.

100 YEARS AGO – Hamble Common

The County War Agricultural Committee forwarded a Notice of their Powers to enter temporarily any land not cultivated for the purpose of growing Food

JULY 1917

75 YEARS AGO – Proposed Footpath West Side of Hamble Lane

A letter was read from Mr H.P. Folland to ask if anything could be done to press home the necessity of a footpath, from the new Hamble Halt to "Kingsway Avenue" on the same side as the Halt. He was afraid we are going to get some serious accidents unless something was done

JULY 1942

50 YEARS AGO – Hamble House Playground

..... He said the plank swing was noisy and subject of a complaint from nearby residents, the plank on the swing is worn out and in addition three new grips are required

JULY 1967

50 YEARS AGO – Gun House Corner

..... advising that it is not possible to carry out improvements to the Gun House corner without demolishing the property would like it to be recorded that the Council tried to do something to improve the conditions at this dangerous corner

JULY 1967

This corner to School Lane was the only access to Fairey Marine at Hamble Point

50 YEARS AGO – Spillage of Oil from Mobile Fish & Chip Van

The Chairman said that he had approached the driver asking him to do something about it this nuisance was still occurring and it was agreed to write to the Health Dept. of W.R.D.C.

JULY 1967

25 YEARS AGO – County Councillor's Report

.... The County Council has opened one new library a year for fifteen years and Cllr. Shotter is still pushing for libraries for Hamble and Bursledon

JULY 1992

THE ABOVE IS AS RECORDED IN THE ARCHIVES

(IMU)

EVERY MONDAY | HOMEMADE PIE & PINT

Start the week with a warming artisan pie. Coupled with a pint or small glass of house wine for just £12. What's not to love?

EVERY TUESDAY | MOULES FRITES

For only £12 enjoy a glass of house wine and Moules Frites. Perfect for a Spring, Summer day after a long walk in Hamble.

EVERY WEDNESDAY | BURGER CLUB

Expect handmade, locally sourced or premium options on this weekly changing menu. From buffalo, cauliflower, falafel to pork – Chef will be getting creative with interesting unique options. Pair with a pint or a small glass of wine for just £11.

EVERY THURSDAY | VEGAN NIGHT

The Bugle's menu is always vegan-friendly. But on Thursday night Chef creates an expansive choice of delicious vegan dishes. And why not ask our staff about our vegan-friendly drinks too.

EVERY FRIDAY | BUBBLES & SAUSAGES

Enjoy a bowl of local sausages for just £3, or just £1 for loyalty card members. And available to all guests, £15 bottles of prosecco. Both available between 5-6.30pm.

EVERY SUNDAY | SUNDAY SET LUNCH MENU

Enjoy dishes like the chicken & pistachio terrine with spiced red onion and the pork shoulder, roast potatoes, seasonal vegetables, gravy and the all-important crackling. Two courses £16 & three courses £20.

EVERY MONDAY – FRIDAY | SET LUNCH MENU

Awarded a much-coveted AA Rosette for the quality of the dishes served from the kitchen. Dine on two courses of locally sourced produce for £15 or three for just £18.
