COUNCIL NEWS

The Council News is shorter than normal as included in this magazine is the report from the Annual Parish Meeting which gives a range of Council news. The Annual Council Meeting has taken place where the agenda has to include a number statutory procedures which have to take place annually. This included the election of the Parish Council's Chairman for the year.

It is pleasing to report Simon Hand who was the Chairman last year is now at home recovering from his illness and he informed the Council he wished to continue as a Parish Councillor but did not wish to be considered for the role of Chairman. Sheelagh Cohen was elected as Chairman for the forthcoming year and Sally Scholfield was elected as Vice Chairman. At the recent election Keith House was re-elected as Hamble's County Councillor.

The Parish Council considered the planning application for a 64 bedroom dementia care unit adjacent to the Blackthorn Health Centre. The Council decided to oppose this application because the proposed site was in the strategic gap and in an area not allocated for development. There was general support for a dementia care unit in the area and it would be more likely to be agreed if it was on a brown field site.

A number of parishioners from Satchell Lane attended a Council meeting Public Session to express their opposition to an outline planning application that has now been submitted for 70 dwellings opposite the Riverside Park in Satchell Lane. The Council decided to set up a Task and Finish group to look at the consultation documents.

Regarding the Hamble Lifeboat station and the associated public facilities it can be reported that there is agreement on the issues outstanding and both parties will be working to get the public facilities open shortly.

The Parish Council is working with other organisations to deal with some Japanese knotweed in the Mercury Marsh area as it cannot be dealt with separately and has to be controlled by a combined effort.

Message from the Clerk

By now I hope that you will have either received a post card through the door or seen the posters up around the village advertising the consultation exercise that we've started. Since the snap General Election announcement we have put the brakes on the timing of the consultation a little, given that people's interests might be elsewhere for the next few weeks. None the less we hope that the consultation event will gather some momentum and people will take the time to complete the short questionnaire. We hope that most people will complete the survey on line; it is reasonably short and easy to do. If you need a paper copy ring the office or email us and we can get one sent out to you. Once the consultation has ended we will collate the findings and share them back with you. Then the fun starts! What the priorities will be for the village, whose help do we need to tackle them, what resources are needed and over how long. If you don't take part - you won't get a say.

Over the last few weeks we have seen a couple of issues that have galvanised local interest; regular instances of fly tipping and the proposed development at Windsock Corner off of Satchell Lane.

Controlling fly tipping across the village remains a constant and costly battle. As well as being an eye sore it can be hazardous to the public and the environment with the risk of damage to watercourses and soil from the dumped waste. One of the latest incidents involved the rubbish being set alight with the Fire

Service having to attend. This is a waste of their valuable time and resources.

Fly-tipping is a criminal offence for which there are a range of punishments ranging from imprisonment to substantial fines of up to £50,000, as well as orders to pay costs and options to deprive offenders of the vehicle used to commit the offence. Sadly catching people in the act of tipping isn't easy but we would ask people to continue to be vigilant and to ring Hampshire Police on 101 if they see anything unusual.

Equally it is important that people also take care of how they dispose of their own rubbish and waste. Most of what is fly tipped starts off in a domestic setting so making sure you dispose of items correctly is the first step to cracking the problem. Eastleigh Borough Council operates a bulky waste service and will collect furniture and other large household items for a charge. If the item can be reused they will suggest local organisations that might be able to help. Residents can also sign up for the fortnightly green waste kerbside collection. More details are available on their website. Other items such as tree stumps, rubble, brick and other

building material should be taken to the local Household Waste Recycling Centre (the nearest is at Grange Road, Netley) or given to a licensed waste operator. If you fail to check that they are an authorised operator and your waste is found illegally tipped you can be held responsible for it. So it is important to check and hopefully if more of us take these simple steps we will start to reduce incidence of illegal tipping.

Councillors are keen that we do everything we can to reduce the problem across the village and want to explore options that might help. If you have any suggestions let your local councillor know or drop us a line.

Residents across the village have also been expressing opinions about the recent application for 70 homes at Windsock Corner off Satchell Lane. By the time this Magazine available the Parish Council will have had the opportunity to look at the application and to respond to Eastleigh Borough Council. The application is due to be considered by the Local Area Committee on 21st September 2017 at 6pm at Hamble Primary School, Hamble Lane, Hamble-le-Rice, SO31 4ND. Residents are able to attend the meeting and can ask to speak if they wish.

On a similar note a resident has recently suggested that we explain the role of the parish council in the planning process so I will look to include something on this in the next issue. If there are other similar things that you would like to see please let me know.

Hamble-Le-Rice Flower Club

29th Anniversary Year 2017/18

The Flower club is a friendly group of mostly ladies, who meet on the second Monday of each month at 2pm in the Hamble Memorial Hall. We host demonstrations, organise visits and have practice and workshop days. We welcome both visitors and prospective members to our meetings to share our enthusiasm for flowers.

At the May meeting, our very own Christine Wright, gave us a preview of 'Gardens around the World' a demonstration that she will be performing on board the cruise ship Queen Victoria in June. With a helping hand from her husband Barry, Christine's arrangements were truly inspirational. The stage in the Memorial Hall was filled with colour, some fantastic flowers and inventive mechanics. The passengers on that cruise are in for a treat. Well done Christine!

There will be no meeting on the second Monday in June as we have our annual outing the following week. This year we will be spending the morning in Romsey with a visit to Andy McIndoe's, ex Hillier's, lovely garden in the afternoon. There maybe a few available spaces so do contact Judy on 02392 554157 if this appeals to you.

Visitors always welcome at Club events, just turn up or if you need more details: Rosemary Dorman, Secretary 02380 452385/Sheila Barker, Vice Chairman 02380 453718

HAMBLE VILLAGE PLAYSCHOOL

Hamble Village Playschool was started by a group of parents in 2000 when Sheila Amin, the owner of Merry Go Round Playschool, retired. The pre-school formed as a charity and is governed by a parent-led committee, with a full-time manager. It operates from the back hall of the Memorial Hall and has a secure outside play area to the rear.

The playschool is a community run pre-school for children from Hamble and the surrounding area. At present, it has around 50 children attending and runs half-day and full-day sessions for children aged between 2 years 9 months and 5 years. It has close links with Hamble Primary School although its children may go on to attend other schools in the area.

Hamble Village Playschool endeavours to provide the best possible learning environment for pre-school children and it achieves this by teaching and learning through play. The fantastic, dedicated staff make sure the atmosphere is a happy one, where children feel secure, valued and safe.

At Hamble Village Playschool, the aim is to provide a safe, happy, varied and stimulating environment. It offers the children the opportunity to learn and explore using a wide range of activities and equipment covering all areas of the Early Years curriculum, providing the best possible foundations for their future. The pre-school is registered and inspected by OFSTED and is proud of its "good" rating.

The playschool has a colourful open air playground, an outside undercover play area and a pirate ship for the children to play on.

Outside undercover play area

The staff supervise the children carefully, but where possible allow the children to move freely between the indoor and outdoor areas, choosing their own activities. The pre-school holds a Summer Fete each year (Saturday 24 June this year) and organises periodic visits to other local community organisations such as the Church, Fire Station and Hamble Village Market.

Julie Ash is the pre-school manager and if you are interested in your child attending the pre-school please telephone Julie on 07903 388568 or email:

Julie@hamblevillageplayschool.org.uk. She will be most willing to talk to you and provide any further information. If you would like to contribute personally or through your business to the pre-school's fundraising activities, please contact Julie and she will pass your details to the committee. DEMENTIA FRIENDS TRAINING AT HAMBLE PRIMARY SCHOOL

by Imogen Bell and Ellie Munton (pupils in Year 6)

On Friday 10th March three visitors came in to talk to us about Dementia and how it can affect you. First, we were given a picture of a brain. Around the brain we had to write what we thought Dementia was. Next we made a spider web with a piece of wool and at each corner was part of our daily routine. One of the visitors then cut through the wool to show that if you have Dementia then even your daily routine could get muddled up.

After that, our trainers talked about how we could be a Dementia Friend and how we could help a person unfortunate enough to have the disease of Dementia. We wrote a small piece of writing about how we could help a person with Dementia in order to become a Dementia Friend.

We learnt that we have to help people with the disease, to help them remember important things in life and to help them to cope with living with Dementia.

HAMBLE CONSERVATION VOLUNTEERS

The task for June is to carry out repairs to the network of paths across the Common. Without them it would be difficult to transit the Common or gain access to the more interesting parts. Although winter was relatively mild and storm free it has taken its toll and in places the paths have become waterlogged. We will assess the need for remedial action which might involve additional gravel laying or the siting of drainage pipes to encourage water to drain away.

Eastleigh Borough Council provide the expertise but with wildlife at its most active it has to be a largely manual task with progress directly related to the numbers of volunteers available, so please turn up if you can. Some of the work is arduous but there are roles for most levels of agility and strength.

While the popularity of the Common and its beaches increasing with the warmer weather, it is very disappointing that a small contingent of visitors leave litter and in some cases start fires. Without our beach cleans the Common would become hazardous to wildlife, domestic dogs and children and an hour of effort can make a huge difference.

Beach clean Mondays are at 10am on 5th and 19th June starting at Hamble Point Car Park.

The next conservation task is: **PATH REPAIRS - THURSDAY 15th JUNE 2017**

Meet 10am Hamble Point Car Park. Please wear clothing suitable for the weather on the day.

We provide all equipment but welcome contributions to the tea fund.

ANNUAL PARISH MEETING HELD ON WEDNESDAY, 12TH APRIL 2017 IN HAMBLE VILLAGE MEMORIAL HALL, HIGH STREET, HAMBLE-LE-RICE AT 7pm

Cllr Cohen the Parish Council's Vice Chair opened the annual Parish Meeting with a welcome to everyone and explained that she had stepped in to cover for Cllr Simon Hand the Chairman of the Council who was unwell. She wished him a speedy recovery. Cllr Cohen especially welcomed to the meeting Cllr Maureen Sollitt, Deputy Mayor of Eastleigh; Mims Davies the local MP and resident of Hamble, and Amanda Jobling, the new Parish Clerk.

The first item of business was introduced by Mr Matt Blythe, Local Area Manager at Eastleigh Borough Council and Mr George Allen of George Allen Construction Consultancy with a presentation about the proposed redevelopment of the former Barclays Bank building into a community hub and library facility. He outlined that there had been a wish for a

facility of this nature, as far back as 2008 when it was identified in the Hamble Parish Plan. With the cessation of the mobile library service last year Eastleigh Borough Council acquired the site and appointed a project team to work up proposals for the site.

Mr Allen talked about the concept of the building in this prominent position in the village adjoining the conservation area. The drawings showed a building with gable roofs and arches matching into the adjoining area. The preferred design includes two units of accommodation for rent as well as the community facility.

The plans would be submitted by the end of May with a start on site during the summer. Completion was forecast for February 2018. Comments about the scheme included the lack of car parking on the site and in the vicinity and a discussion about the number of potential users of the new service, how it would be operated and the types of activities that could be accommodated in the building.

Questions also focused on the cost of the scheme.

Next Sgt Mark O'Hanlon talked about the work that the Police were involved with that wasn't visible to the community. Increasingly Police time is taken up investigating Cybercrime. Advice was given about how to avoid being a target for

this type of crime and the importance of keeping personal information about yourself out of the public domain and registering with the Telephone Preference service to stop unsolicited calls.

He also explored the issues that the Police face in working with vulnerable people who are often the target of repeat offenders and become repeat victims. Breaking the cycle by focusing on both offender and victim presents the best opportunity for reducing crime in the future. This is especially the case around domestic violence that can include mate crime, intergenerational and or financial abuse as well as physical abuse. Sgt O Hanlon mentioned local groups that they work with and the benefits they bring to their work and the community more widely.

The evening was brought to a close with Cllr Sheelagh Cohen's presentation. Cllr Cohen reflected on how the last year had been one of huge change; internationally, nationally and locally. During the year the Council had said goodbye to a number of colleagues including Michael Atkinson, Michael Davies, Angela Fish, Clive Fish, Suzy Hamel, Elizabeth Lear, Bill Pepper and Mark Venables as well as Brendan Gibbs the Clerk to the Council. Their efforts and contributions were appreciated and noted.

Cllr Cohen went on to highlight a number of projects from the last year including works to improve Westfield Common, the negotiations with Hamble Football Club for their new facilities and Hamble Life Boat over the public toilets as well as the continuation of HYPE. Looking forward she highlighted the council's intention to work more efficiently through the use of technology and in doing so to improve access to our parish council. In addition the Council would be looking to replace the play area at Mount Pleasant and to also decide on what was needed at the Pavilion itself. Most importantly she highlighted the council's intention to undertake a community wide consultation to understand the priorities for the village and whether some or all of these could be helped through doing a neighbourhood plan. This would be decided later in the year.

People were invited to stay for refreshments before the event finished.

Hamble Local History Society

Do you want to find out more about Hamble?
Do you have a computer?

As mentioned last year, the Society has updated and improved its website. If you wish to discover more about the history of Hamble it is probably the best place to start. So if you want to find the origin of your street name look on the Society's website and the 'Hamble Articles' menu option. Here you will find articles about Hamble's history that have appeared in the Village Magazine over the years. Select 'Street Names' and you will find most of the known origins of the names of the roads in Hamble.

There is even an article about the history of this magazine, local businesses, the fire brigade and articles about wartime in Hamble. The Society focuses its talks on local topics and if you look under the 'Previous Meetings' menu option you will find out much more. A report is made after every meeting. The last one was about Netley Hospital Chapel but a wide range of topics can be found there.

The website includes sections about 'A Brief History of Hamble', 'Maritime Hamble', 'Hamble Airfields' and 'Hamble Railways'. If you want to find out who was living in Hamble in the 1800s there are details from the 'Hamble Censuses' and 'Hamble Directories'. The website gives useful links to other organisations that have information about

history connected to Hamble, such as Hamble Sea Scouts' history, old maps of the area and aviation videos.

If you have access to a computer you will be surprised how much information about Hamble's history there is on the Society's website.

HAMBLE LADIES GROUP

Our next meeting is on TUESDAY 13TH JUNE when we will be holding a Summer Social Evening. We usually have a fun evening so I look forward to seeing as many of our members there who can join us.

Please note our meetings now start at 7.30pm and are held in the Priory Centre.

We have organised a coach trip to Jane Austen House and the Lavender Fields at Hartley Park Farm, Alton on Friday 21st July 2017. At the time of this going to press we have two seats available on the coach so if you are interested please give me a ring on 023 80 453626 for more details. First come first served as they say.

HAMBLE VILLAGE MEMORIAL HALL

ANNUAL GENERAL MEETING - WEDNESDAY 21ST JUNE AT 7.30PM

Notice is given that the 83rd Annual General Meeting of our Hall will be held on Wednesday 21st June at 7.30pm in the Main Hall.

Hamble Village Memorial Hall is a community building first provided by benefactors for the community in 1933. It acts as a meeting point as well as a venue for many clubs and health activities for adults and children.

It is a very busy building which is run by three staff: a Manager, cleaner and a gardener who are all part time.

A small group of Trustees meet regularly, up to 10 times per year, to oversee the running of the Memorial Hall. Most of the Trustees are well past retirement age and although still able to contribute greatly to the Hall there is an urgent need to recruit some new ones. Becoming a Trustee only involves a few hours per month to review the month's activities, ensure that everything is running appropriately and planning for the future.

Light refreshments will be served after the formal meeting

For more information on becoming a Trustee contact: Michael Davies Chair of the Trustees email hall@hvmh.org.uk or 023 8045 8240
