MINUTES

1 WELCOME

The Chair welcomed.

Apologies for absence from Cllr Kendall, Cllr Alexander and Cllr Cross who was still unwell. These apologies were all accepted.

Dispensations for Cemex for Cllr Underdown and Cllr Venables

2 APPROVE MINUTES

The Clerk advised Members of a correction to Item 7 (Committees & Working Groups), noting that the minutes incorrectly recorded Councillor Underdown as having joined the Planning Committee; this should have stated Councillor Woodall. The correction was accepted.

It was then **Resolved** that the Minutes of the Full Council meeting held on 9 March 2026 be approved. The motion was proposed by Councillor Underdown, seconded by Councillor Venables, and carried unanimously.

3 PUBLIC PARTICIPATION

There were two members of the public present who asked if Cllr Cross was still unwell and asked why the other Eastleigh Borough Council elected members were not in attendance at the Council meetings.

The second matter raised related to a recently published book by Bill Blain concerning the Airfield. It was noted that neither the Hamble Peninsular Residents Group nor the Hamble Peninsular Defence Group (which includes Hamble Parish Council) had any involvement in its production, and this was clearly stated within the publication.

4 CO-OPTION

One application had been received and details circulated, however, as the applicant was not in attendance, it was agreed to defer the co-option item until the following month in order to confirm whether the applicant still wished to stand.

5 HAMBLE AIRFIELD

There was no update at this stage. However, the Chair advised that a minor amendment was required to the Terms of Reference for the Hamble Development Committee, under delegated authority, to enable a more streamlined authorisation process and facilitate timely decision-making.

Resolution: It was resolved that the delegated powers section of the Terms of Reference be amended to grant the Hamble Development Committee authority to spend the £25,000 allocated by Full Council at the budget meeting in March 2026, in order to progress the statutory review. This was proposed by Councillor Underdown, seconded by Councillor Woodall, and carried unanimously.

6 ASSET TRANSFER & LOCAL GOVERNMENT RE-ORGANISATION

Councillor Hand outlined that Government had announced details of the decision for Local Government Reorganisation and Hamble would be part of South West Hampshire (Eastleigh, 4 parishes from New Forest, Southampton and 3 parishes from Test Valley). Councillor Jones also highlighted the forthcoming Hampshire County Council elections and noted their relevance in the context of ongoing local government.

The Deputy Clerk outlined that the Assets in Tranche 1 should all complete tomorrow with the exclusion of the two complex titles outlined in her report.

She advised that the Working group met and recommended to proceed with progressing to transfer the Assets in Tranche 3 listed in the report but continuing to raise questions with the exception of Hamble Common, she reported the detail of the recommendation from the Working Group as follows:-

Cllr Jones proposed that despite the emotional connection, the hurdles to own and maintain Hamble Common were too great and recommended that HPC should not acquire this asset but should have ongoing dialogue with the owner and remain involved with its management. Seconded by Cllr Hand and all in favour.

Councillor Jones further outlined his reasons for considering that it would not be in the best interests of all parties for Hamble Parish Council to assume management of Hamble Common, citing its high level of environmental protection and the requirement for specialist management.

Councillor Thompson then enquired whether Eastleigh Borough Council was undertaking all works associated with the Rail Trail. The Deputy Clerk confirmed this was the case but would raise his question with regard to a second gate.

Resolution: It was resolved, as proposed by Councillor Underdown and seconded by Councillor Thompson, that the Parish Council would not pursue the transfer of Hamble Common, in line with the concerns raised by Councillor Jones. However, discussions would continue with the Borough Council to explore whether Avery's Field and the Copse could be transferred independently of Hamble Common. The motion was carried unanimously.

The member of the public standing for co-option arrived but the Clerk explained that this item had now been deferred to next month
